

Spring into Action

2021 Virtual Spring Conference
& Advocacy Day • April 7 & 8

A utility worker wearing a yellow safety vest, a yellow hard hat with the Ameren logo, and safety glasses. He is holding a tool and looking off to the side. The background shows a power line tower and another worker in the distance.

Ameren Illinois Energy Efficiency Program Multifamily Initiative

One Stop Shop: Making Your Property More Energy Efficient

AmerenIllinoisSavings.com/Recovery

- Financial assistance for Ameren Illinois customers
- Resources for small business support
- Resources on appropriate PPE
- Links to information to support your business
- Links to webinars with information on COVID-19

Customers needing assistance with paying their bill should contact the customer care team at [AmerenIllinois.com](https://www.AmerenIllinois.com) for payment options.

Multifamily Properties

- Multifamily properties come in many shapes and sizes:
 - Low-rise complexes with many buildings
 - High-rise buildings
 - Townhomes and condos
 - Single family homes converted into apartments
 - Duplexes, triplexes, and other patio homes
- Some properties are residential tenant metered and others are master accounts
- Customer rate types range from DS1 and GS1 to DS3 and GS3

Benefits include:

- Lower operating costs
- Improved property value
- Increased comfort for tenants
- Tenant retention
- Free in-unit measures
- Free Energy Assessments can identify the best upgrades
- Incentives help to offset project costs
- Trusted, local Program Allies can perform the work and assist with paperwork
- Additional incentives for small businesses

Free In-Unit Measures

May be eligible to receive free energy savings products such as*:

LED Bulbs

Smart Thermostats

Thermostatic Shower Valve (TSV)
